Zackary R. Hall)

Defendant(s)

CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief.

On or about the date(s) of November 24, 2011 in the county of Kanawha in the
Southern District of West Virginia, the defendant(s) violated:

Code Section

Offense Description

18 U.S.C. Section 922(g)(3)

Unlawful drug user or addict in possession of a firearm

This criminal complaint is based on these facts:

On or about November 24, 2011, deputies responded to a residence in Belle, West Virginia, to investigate a disturbance call. They observed defendant choking a woman. Defendant was arrested and found to be in possession of clonazepam, hydrocodone, a pill grinder, straw, and 2 empty "bath salts" containers. Police recovered a Smith & Wesson .32 caliber revolver from the ground near defendant. Witnesses stated that defendant was pointing the revolver at people in the residence. On December 3, 2011, defendant was arrested again when deputies responded to a disturbance call and found to be in possession of a variety of controlled substances and admitted taking them without prescription. The West Virginia Secretary of State's Office has confirmed that Smith & Wesson has never manufactured firearms in West Virginia.
